

... WCCHD meeting

(Continued from page 2)
continues to be a work in progress. In the census count, there are currently 41 residents in the Care Center as of the meeting date.

Under capital projects, the renovation work in the Unit is steadily progressing, and Roger informed the Board the construction should be completed by January 18, 2013. At this point a request will then be sent to DAD's for a final inspection. The Board requested that Roger proceed with the second phase of the building remodel process, which will be the renovation of the East wing of the facility.

Accounts receivable were discussed, and the financial statements were discussed and accepted.

The Board broke for lunch from 11:55 am to 12:47 pm.

After lunch, the Board discussed the longevity bonus policy and the FMLA policy as listed in the handbook. At 1:15 pm, the Board went into Executive session to discuss personnel. They came back into regular session at 2:10 pm. No action was required.

Future agenda items were discussed and the meeting was adjourned. The next regular meeting will be January 29, 2013. Everyone is invited and encouraged to attend.

Checking out the calendar for the first month of the new year, it looks like things may be a bit quieter after the hectic rush of the Christmas holidays. On January 12, at 3:30, the Assembly of God Church will be at the facility for a time of good gospel singing. The monthly birthday party at the facility will be held January 22, at 3:30 pm. Birthday honorees this month are Elaine Norvell, Edith Blackwell, Olive Enlow, Billy Ray Ruth, Tonja Hubbard, and Ettie Hubbard. January 25, at 3:30, will find everyone assembled in the dining room for a time of fun and music at the Sing-Along. If you can arrange to be present in the facility at this time, come join in the fun! The more, the merrier!

Everyone at the facility joins the Board in wishing everyone a very happy and blessed 2013!

Vision with a Purpose meeting held

By Joan Davis

The first meeting of the new year for Robert Lee's Vision with a Purpose was held Thursday, January 3, at Victory Assembly of God's nice youth center on 6th Street in Robert Lee.

A wrap-up of the Christmas activities was the main agenda. The Christmas lighting drew a number of visitors and locals who have said it was such a pleasure to see and that it encouraged residents to put up decorations and lights. The parade was small, but for VP's first year, it was a great joy.

The first work of the year will be at the Robert Lee School, where VP members will work at the basketball games to be held January 17. They will man the concession stand that evening, beginning with preparations at mid-afternoon. Contact Janie Munoz for more information and scheduling.

Conservation Tree and Shrub Seedlings available

A limited quantity of container and bareroot seedlings are available through the Coke County Soil and Water Conservation District. Deadline to order is February 1, 2013. Seedlings will be delivered and ready for pick up on February 7, 2013.

For species offered and other information, contact the SWCD office at 453-2623, ext. 3 or go by 214 E. 7th Street in Robert Lee.

Until Next Year! Robert Lee's Vision with a Purpose takes down the memorial park Christmas decorations on Saturday, January 5. Those participating included Marshall Millican, Beverly Hawkins, Nancy Wilson, Mason Hill, Denise Roberts, James Roberts, and Kacee Roberts. It appears the younger generation had to tackle the windmill. James Roberts is shown at the top of windmill with Mason (Stomper) Hill and Kacee Roberts at the bottom.
