**HEARING NOTICE
CITY OF BRONTE
TEXAS COMMUNITY
DEVELOPMENT BLOCK
GRANT PROGRAM**

The City of Bronte will hold a Public Hearing at 6:30 pm on January 17, 2019, at the Bronte City Hall in regards to the submission of an application to the Texas Department of Agriculture for a Texas Community Development Block Grant Program (TxCDBG). The purpose of this meeting is to allow citizens an opportunity to discuss the citizen participation plan, the development of local housing and community development needs, the amount of TxCDBG funding available, all eligible TxCDBG activities, and the use of past TxCDBG funds. The City encourages citizens to participate in the development of this TxCDBG application and to make their views known at this public hearing. Citizens unable to attend this meeting may submit their views and proposals to the City Secretary at the City Hall. Persons with disabilities that wish to attend the meeting should contact the City Secretary to arrange for assistance. Individuals who require auxiliary aids or services for this meeting should contact the City Secretary at least two days before the meeting so that appropriate arrangements can be made.

...WTRC Telethon

(Continued from page 2)
Bids for the annual internet auction of merchandise and services provided by friends and businesses, can be seen at WestTexasRehab.org or by downloading the Handbid app on your phone, searching for Rehab 2019, and registering. Bids will be accepted until midnight on January 19. These auction items will also be on display at the Abilene Convention Center beginning at 6 pm on January 19. An auction television show featuring all items will air in Abilene and San Angelo from 5:30 pm to 7 pm on the night of the telethon.

You can join the conversation by posting your Rehab story by using the hash tag #WestTexasRehab on social media and you may see your post on the show! For more information, please call 325-793-3525.

**...Bronte City
Council minutes**

(Continued from page 5)

So, when Bronte helps Robert Lee with their water situation, that protects Bronte's allotment at the lake with the UCRA. If the City of Bronte's usage is low, the City can lose some of the allotment at the lake with the UCRA. If the usage is low, the City of Bronte can lose some of the allotment allowed

by the UCRA. The City of Bronte cannot survive only on property taxes coming in and that it is why it is good to be in the "water selling business". Bronte has some of the lowest water rates in the state. The City's rates would be much higher if the water wasn't coming in and if water wasn't being sold. It helps the City of Bronte to do things like patch streets (since property taxes are not the biggest income earner). The City of Bronte has a good "well field" for water source as well if the lake water source should go away. It is always good to look for additional water sources.

Mayor Gohman is putting drainage on the fore front. Some of the pot holes have come back. There is some coal mix left and that can be used to fix some of the pot holes. Blading will be done in the winter.

City Secretary's Report

Christmas in Old Bronte committee has asked if the City Council or city staff would like to judge floats. Stormy Vaughn and Teresa Ballard would be happy to judge floats.

All documents have been sent to Eckert & Company, LLP. They are scheduled to be onsite the first week of January 2019.

Judge Walker has set up "Show Cause Hearing" for December 4 at 2 pm in the Chambers.

Teresa Ballard has registered for an Elections Seminar to be held January 23-25, 2019. This is required of the City Secretary.

There has been a good response by citizens to register their animals with the city per the city ordinance since posting on the marquee.

The Spook Walk was October 31 and City Hall received thank you notes from students and the notes will be posted at the front desk.

City offices will be closed Thursday, November 22, and Friday, November 23 for the Thanksgiving Holiday.

The next council meeting will be December 20.

Utility Director's Report

Since September 10, 2018, when enforcement began on ordinance 18-01, 28 certified letters have been sent out, 12 have been closed; 12 citizens are working to resolve and the deadline has been extended; two

refused the letters so the letters have now been sent to the mortgage company; one returned deceased; and one returned unclaimed.

No further business, the meeting adjourned at 9:59 pm.

Jolene V. Henderson (325) 763-7812 after 4 pm

NOTICE OF APPLICATION

FILED WITH THE PUBLIC UTILITY COMMISSION OF TEXAS

On November 30, 2018, Oncor Electric Delivery Company LLC ("Oncor"), Sharyland Distribution & Transmission Services, L.L.C. ("SDTS"), Sharyland Utilities, L.P. ("Sharyland"), and Sempra Energy ("Sempra") (collectively, "Joint Applicants") filed a Joint Report and Application for Regulatory Approvals ("Joint Application") with the Public Utility Commission of Texas ("PUC" or "Commission"), copies of which are kept at Oncor's office at 1616 Woodall Rodgers Freeway, Suite 6000, Dallas, TX 75202. The Joint Application requests Commission approval of three transactions (the "Proposed Transactions"), as described below, that will result in SDTS becoming an indirect wholly owned subsidiary of Oncor that will own transmission and distribution assets held today by Sharyland and SDTS in central, north, and west Texas, and Sharyland will remain a utility in south Texas, with Sempra owning a 50 percent indirect interest in Sharyland. First, Sharyland will transfer its assets in north Texas, along with associated assets, liabilities, and working capital, to SDTS. In return, Sharyland will receive all of SDTS's assets located in south Texas. In connection with this asset exchange, Sharyland's equity interest in SDTS will be cancelled, and the certificates of convenience and necessity of Sharyland and SDTS will be amended to authorize the "North Texas Utility" (referring to the post-closing assets to be owned by SDTS) and the "South Texas Utility" (referring to the post-closing assets to be owned by Sharyland) to own, operate, and maintain their respective post-exchange assets. Second, Oncor will acquire InfraREIT, Inc. ("InfraREIT") and InfraREIT Partners, LP and, as a result, will own and operate all of SDTS's post-transaction assets. Finally, Sempra will purchase a 50-percent indirect limited partnership interest in a newly formed Delaware limited partnership expected to be named Sharyland Holdings, LP, which will own a 100-percent interest in Sharyland. The Joint Applicants also request Commission approval of certain regulatory terms listed in Exhibit A to the Joint Application, some of which are regulatory conditions to closing.

The Joint Application does not seek Commission approval of a modification to Oncor's rates. Oncor is requesting a Commission finding, however, that Oncor may consolidate the North Texas Utility's wholesale transmission rates with Oncor's rates as part of Oncor's next base-rate case. Oncor also requests Commission approval to establish a regulatory asset to track any make-whole payments or other expenses that may be required to extinguish, transfer, or restructure the debt of InfraREIT and its subsidiaries under the Proposed Transactions, so that Oncor may seek recovery of that regulatory asset in its next base-rate case. The Joint Applicants also seek Commission approval to split the current Sharyland wholesale transmission service tariff into two separate tariffs—one for the North Texas Utility and one for the South Texas Utility—which rates, when taken together, would be equal to Sharyland's rate in effect at the time the Proposed Transactions close.

Any person wishing to intervene in this proceeding must file a written request with the Public Utility Commission of Texas, 1701 North Congress Avenue, P.O. Box 13326, Austin, TX 78711-3326, no later than January 4, 2019. This case has been assigned PUCT Docket No. 48929. Further information may also be obtained by calling the Public Utility Commission at (512) 936-7136 or (888) 782-8477. Hearing- and speech- impaired with text telephones (TTY) may contact the Commission at (512) 936-7136.
