

Bronte City Council Meeting! *New attorneys for the counsel, Lois Rockefeller (right) and Eileen Haymam with the firm Messer, Rockefeller and Fort, PLLC, were introduced at the regular Bronte City Council meeting Thursday evening, January 12, 2017. The counsel also authorized the new attorneys to send a letter to vacate to Ronny Loyd in accordance with the motion passed at the December 2016 meeting to terminate the 18.369 acre land lease at Oak Creek Lake. Due to the number of citizens who were present to address the counsel, only a few were allowed to speak. These were chosen by a number draw. Several citizens who had their number drawn donated their 3 minutes to two ladies who had researched city records in order to construct a time line of events surrounding this piece of property and the lease in question. The counsel and attorneys promised the citizens in attendance that all the questions asked, along with the time line, would be reviewed and answers and explanations would be forthcoming. The lease in question, along with the time line presented, is available to the public at ObserverEnterprise.com under the "Contracts" tab.*
