Letters to the Editor

Dear Editor,
Attention AT&T customers
It has become apparent AT&T service has become quite spotty in Coke County. According to an AT&T technical representative, this is due to the influx of AT&T customers moving through our area (oilfield traffic, etc.). Currently, there is a tower between Robert Lee and Bronte and another on the divide toward Water Valley.
If you are an AT&T customer, you are encouraged to download an application which will report dropped

calls, etc. It is called AT&T Mark the Spot.
Nancy Wilson

Dear Editor,
The Bronte Junior High boys had a basketball tournament last weekend and it was not mentioned in the paper. Maybe you can encourage the coaches to turn in some news. The children would appreciate it.
Thank you,
Betty Thomas
