Property Recovered! In the late evening hours of January 12, 2018 and early morning hours of January 13, 2018, several individuals made their way into parked vehicles adjacent to residences in Robert Lee, Texas. The vehicles were entered into by the individuals without the owner's consent and several items of property were removed from various vehicles at random residences. Sheriff's Office Deputy Terry Crenshaw began taking reports of the incidents later in the afternoon on 1-13-2018 from victims who had discovered items missing out of their vehicles. It soon became evident that a rash of vehicle burglaries had occurred. Deputy Crenshaw consulted with fellow Sheriff's Deputy Anthony Lopez in regards to the incidents. Deputy Lopez provided supplemental insight and information as to who the responsible parties may be. Acting quickly on the information and further assessments, Sheriff's Office deputies pursued the opportunity to conduct legal searches of the potential suspects, their personal property, and place of residence. Within hours of the first reports of the incidents, Sheriff's deputies built the necessary probable cause to detain, arrest, and place one initial suspect into custody. The second suspect was subsequently arrested and charged shortly after. Several items of property were recovered and identified by the victims, including a stolen firearm. Matters of the case are still pending investigation.
