... Forage Loss Deadline

(Continued from page 1)

"Prolonged drought conditions have created a need for livestock disaster assistance programs in Coke and Sterling Counties," said CED Sturm. "I encourage all affected livestock producers to contact the Coke/Sterling County FSA Office to schedule an appointment to enroll in the program before the Feb. 1 deadline."

Livestock producers must complete the LFP application and required supporting documentation no later than Feb. 1, 2016, for losses that occurred throughout 2015. Producers who already have appointments scheduled require no additional action to meet the deadline.

Eligible livestock includes alpacas, beef cattle, buffalo, beefalo, dairy cattle, deer, elk, emus, equine, goats, llamas, poultry, reindeer, sheep or swine that have been or would have been grazing the eligible grazing land or pastureland.

For more information about LFP, contact the Coke/Sterling County FSA Office at 325-453-2751 or the Tom Green County FSA Office at 325-653-1246.

Wreaths make a difference

"When we drove up this year, to the Fairview Cemetery, we were immediately greeted by the big Christmas Wreaths on the entry way arch. How very welcome we felt." These words came from family members who come every year at Christmas to place wreaths on their families graves.

They checked at City Hall to see who was responsible for the good deed. The Coleman Family was told that the Sorosis Club with the help of the City Hall staff were responsible. And with that information, the Sorosis Club received a wonderful Thank You note.

Action was taken to donate \$500 from the Sorosis Club to go to the Bronte Cemetery Association Fund for helping with the upkeep. This is a fund

CCRTA meeting discussed

Coke County Retired Teachers met for their monthly meeting and pot luck meal at the First Baptist Church in Bronte on January 18, 2016. Coke County Superintendents Aaron Hood and Tim Siler reported on

the up-coming legislative discussion regarding public schools and private charter schools in Texas.

Brenda Hines gave a presentation of basics of good nutrition. President Merl Kelso reminded the group that it was time to report volunteer hours and stated that each volunteer hour was worth \$1 in revenue to the state. Retired teachers throughout the state are dedicated to their communities
