Move to make liquor sales legal continues in Bronte

Jennifer Addona is continuing the legal process to allow Bronte voters to cast ballots for or against liquor sales within the city limits of Bronte. Many will know Jennifer from her management of Bronte Hometown Hardware.

The process has reached the voter petition stage. The petition is for voters to sign in favor of placing this initiative

on the November 2014 election ballot. The number of signatures required for placement on the ballot can be determined by voter turnout in the most recent gubernatorial election in 2010.

The number of signatures must be equal to or greater than 35% of the turnout of those living within the city limits who cast votes for any candidate for governor in that election. After the petition is issued, it must be returned for verification within sixty days.
