## Thank a School Board Member

January is School Board Recognition Month and Robert Lee ISD will join other districts across the state to thank these local leaders for their dedication and willingness to serve as advocates for our children and public schools. As elected officials, they are the voice of their communities, serving first and foremost in the best interest of Texas school children.

Board members shoulder critical responsibilities and often make difficult choices. Their ultimate goal is always focused

on the future success of the children in our district. Our district benefits from the tireless work and countless hours contributed by these local citizens who work without pay. Serving as a crucial link between the community and classroom, this board is responsible for an annual budget of \$3.8 million, 280 students, 50 employees and two campuses.

Board members serving Robert Lee ISD are Wes Washam, Jeffie Roberts, Beverly Sinclair, Erin Oleksiuk, Tom Sawyer, Jr., Irma Torres and George Grim. Please help us thank these dedicated volunteers for their efforts to make a difference and their unfailing commitment to the continued success of our students now and in the future.
