JV Steers defeat Garden City

The Robert Lee JV Steers defeated Garden City last Thursday, 52-6, ending in the 4th quarter.

The JV Steers were led by Jake Jackson on offense, who rushed for 186 yards and 2 touchdowns. Martin Jiminez ran for a touchdown and had an interception. Bruce Buddin caught 4 Jackson passes for 62 yards and 2 touchdowns, had a 65 yard kickoff return for a touchdown, and kicked 5 of 7 PATs.. Blaine Yanez caught one Jackson pass for a 40 yard touchdown.

JR Aldridge and Tristen Hildebrand led the JV Steers on defense with 8 and 5 tackles respectfully. Jackson was 8 of 12 for 129 yards throwing and had 6 tackles and an interception on the defensive side.

Dogies fall to Garden City

After trailing 0-12 at the end of the first quarter, the Robert Lee Junior High Dogies managed to pull within a touchdown of Garden City early in the second, with a 6 yard run and a PAT run by Jesse Ramon to pull within 5, trailing 7-12,

but it was all Garden City after that, as the Dogies fell to defeat, 7-45. Matthew Curry was 2 for 2 for 55 yards of passing, with Ramon on the receiving end of both passes. Tavo Rangel led the Steers on defense with several tackles.

4-H Volunteers Making A Difference For Life

This week is National 4-H week, join with me and support those volunteers who help make any 4-H program a success!

In Texas, more than 32,800 volunteers help deliver the 4-H and Youth Development Program to youth. The program gives volunteers the opportunity to serve based upon their interests, skills and time. This, coupled with the needs and interests of youth in the local community, makes the perfect match for fostering a positive relationship among youth and adults.

4-H Volunteers play a vital role in the ongoing growth and development of the 4-H and Youth Development Program. They build a special relationship with youth, guiding project learning experiences and offering youth with opportunities to learn and serve their community. Volunteers also serve in a coaching and mentor role for youth, helping build confidence among youth and foster positive youth devel-

opment. Volunteers also help youth achieve their personal goals and motivate them to continue participating in and learning from the various opportunities provided through the program.

The relationships built among adult volunteers and youth also have lasting effects. As Retired General Colin Powell stated, "When adults take time to help young people through 4-H, they exert an enormous, positive influence on the lives of youth." From 4-H experiences led by volunteers, youth gain important leadership, citizenship and life skills that can be applied to daily living, used in their community, in future jobs or when they continue their education. Although it may be years before a youth realizes and truly appreciates the influence of the 4-H volunteers that served as positive adult role models, one can be certain that volunteers are truly making a difference for life.

The Texas 4-H and Youth Development Program is a component of the Texas A&M AgriLife Extension Service headquartered in College Station, Texas. More than 660,000 youth between the ages of 8 and 18 participate annually in the youth development program. Contact your local Texas A&M AgriLife extension serve for more information if you would like to be a 4-H volunteer leader.

Wake Up America

What if we had a leader who really cared if American's got back to work and once again we could become an economic world leader?

Our nation was once brought to prosperity and had the status of a great nation under the blessings of a great God.

Our great nation was developed because we were given cheap energy, a blessing from God, and wisdom to develop it.

Once again we have been blessed with an abundance of cheap energy which can make our nation great, but over the last four years Obama has successfully suppressed the development of an energy independent America. Obama had rather keep us dependent on Muslim nations.

What if we had a leader for the past four years who introduced an energy policy favorable to America instead of foreign oil?

1. We could be halfway to energy independence.
2. We have the capability of converting natural gas to liquid which can go directly to your automobile through the same infrastructure at about half the price.
3. The money American's saved on gas purchases would go directly into boosting our economy and not to foreign oil purchases and boosting the national debt.
4. The development of the cheap energy supply could have created many jobs and turned our nation around.
5. I for one could use a \$100 to \$200 a month savings on gas purchases.
6. So why haven't we developed an energy policy in favor of America, kind of looks like OBAMA wants to keep our nation suppressed and dependent on the government and the Middle East.

It's time for a change in American Leadership. We need someone who can lead our nation back to prosperity.

Our nation needs a status change back to the head not the tail.

We need a leader who can separate the rat crap from the raisins!

**Vote for America's Future.
