## Live Scenario Gas Line Rupture Drill to be held

Centurion Pipeline, Plains Pipeline, EQT, Texas 811, Enertech and others will present the video and photo friendly San Angelo Safety Day on Saturday, October 14, 2017, at the 1st Community Credit Union Spur Arena in San Angelo.

This free event brings first responders, utility, oil and gas, municipal, and county personnel together to take part in dynamic hands-on scenario safety training. First responders will attend a classroom presentation on coping with hazardous materials pipeline breaks beginning at 8:30 am.

Other events running concurrently beginning at 8:30 include a backhoe rodeo in which operators vie to maneuver their machines through delicate situations, an electrical safety "arc and spark" demo, and fire extinguisher demos.

The video/photography rich pipeline rupture drill program begins at 11 am. The public is invited to attend this live scenario, where they will have the rare opportunity of experiencing a mock gas pipeline rupture showing what happens when a gas delivery line is struck by mechanized digging equipment, and what steps need to be taken in the immediate aftermath. This event and learning experience is open and free to the public.

Area first responders, pipeline companies, and others will work together in a unified command to control the incident.

## Ag leases to be covered in workshops

By Kay Ledbetter

After such a positive response last year, new Rancher Leasing Workshops covering grazing, hunting and livestock leases are scheduled across the state by the Texas A&M AgriLife Extension Service.

The free programs are funded by the Southern Extension Risk Management Education Center, said Tiffany Dowell Lashmet, AgriLife Extension agricultural law specialist in Amarillo.

"Last year, 100 percent of participants said they would recommend these programs to a friend, so we decided to offer them in more locations," Lashmet said.

The schedule will be:

– Oct. 19, 8:30 am - 1 pm, Tom Green 4-H Center, 3168 N.

**Excursion!** A few residents from Bronte Health and Rehab Center were treated to some goodies recently at Frozen in Time, a restaurant and antique shop, located in Miles.

U.S. Highway 67, San Angelo.

Lashmet said lunch will be provided by two sponsors: Ag Workers Insurance for the Lubbock, College Station and San Angelo programs.

Participants will need to RSVP at least one week before the meeting they will attend to

Kim Garcia, 806-677-5626 or kim.garcia@ag.tamu.edu.

Each workshop will address the legal risks associated with agricultural leases, Lashmet said. The goal is to educate landowners and producers on

the importance of utilizing written leases as a risk management tool.

Joining Lashmet on the program will be AgriLife Extension economists from around the state.
