Look at Those Totals! We all can recognize how the Lord has blessed us with bountiful rain in 2016. However whenever you look at the twelve month totals, the blessing is increased. The larger bold total is a 12 month total taken from all rain from October 1, 2015, to September 30, 2016.

of the great programs and services that are available to you, come join us for a very informative program in Robert Lee. Topics for the program will include soil and water testing information, information about the Veterinary Feed Directive, establishing a vaccine protocol for a new herd, Plant ID, and wildlife and livestock special use appraisals to name a few.
