

Fire Safety! Goodfellow Fire Department brought their educational fire safety trailer to Bronte Elementary. Third and fourth graders were able to learn how to use a 3-in-1 tool to break windows safely, how to use a fire extinguisher to extinguish a fire, exit a smoke-filled room, and climb out of a window if that is the only exit. They also learned safety tips for the kitchen and safety tips for the bedroom. Escape plans and meeting spots were also discussed. The third and fourth graders will be more prepared in case they ever do have a house fire.
