Steers drop game to Yellowhammers

By Tom Sawyer

The Steers played a tough game against Rotan Friday night and came out on the short end of the scoreboard with one point deciding the final outcome when the time ran out. Steer players played a very hard fought game and never quit fighting for the win even in final minutes when things weren't quite going our way.

These young men should be very proud of what they accomplished and it will only make them stronger in the final weeks of the regular season. Look out district it's going to be a battle.

Robert Lee will have a schedule change this week with another team having to drop from play due to not being able to field enough players for a team. Friday night the Steers will travel to May to play the number two team Jonesboro. This was going to be the team's open week but due to the aforementioned circumstances the Steers open week has moved to October 25th. The only two teams left in our district will be Robert Lee and Blackwell which is very unusual because our only district game will be for the district championship.

Steer fans please come out and support our team by making the trips to the next few away games. The Steers will be playing tonight, October 18, in May against Jonesboro.
