

or part of the market value of the residence homestead of the surviving spouse of a 100 percent or totally disabled veteran who died before the law authorizing a residence homestead exemption for such a veteran took effect.”

Proposition Number 3

SJR 52 proposes a constitutional amendment to repeal the requirement for the Comptroller of Public Accounts, the Commissioner of the General Land Office, the Attorney General, and any other officers elected statewide to reside in Austin, Texas, the state capital. Under current law, these statewide elected officers are required to reside in the capital of the State of Texas while in office. This amendment would not apply to the residency requirement for the Governor.

The proposed amendment will appear on the ballot as follows:

“The constitutional amendment repealing the requirement that state officers elected by voters statewide reside in the state capital.”

Proposition Number 4

HJR 73 proposes a constitutional amendment that would grant the legislature the authority to pass statutes to allow a professional sports team charitable foundation to conduct charitable raffles under the terms and conditions imposed by general law. The laws passed

under this authority may provide that the professional sports team charitable foundation may use proceeds from such charitable raffles to pay reasonable advertising, promotional, and administrative expenses. Any law enacted by this provision only applies to entities defined as professional sports team charitable foundations on January 1, 2016. Additionally, any law enacted by this provision may only allow charitable raffles to be conducted at games hosted at the home venue of the professional sports team associated with a professional sports team charitable foundation.

The proposed amendment would appear on the ballot as follows:

“The constitutional amendment authorizing the legislature to permit professional sports team charitable foundations to conduct charitable raffles.”

Proposition Number 5

SJR 17 proposes a constitutional amendment which would increase from 5,000 to 7,500 the maximum total population threshold of a county that is allowed to construct and maintain private roads as long as the county imposes a reasonable charge for the work.

The proposed amendment will appear on the ballot as follows:

“The constitutional amendment to authorize counties with a population of 7,500 or less to

perform private road construction and maintenance.”

Proposition Number 6

SJR 22 proposes a constitutional amendment that would add the right to hunt, fish and harvest wildlife, including by use of traditional methods, in the Bill of Rights of the Texas Constitution. This right would be subject to laws and regulations intended to conserve and manage wildlife and to preserve the future of hunting and fishing. The proposed amendment would establish hunting and fishing as the preferred method of managing and controlling wildlife in Texas. The proposed amendment is not intended to affect any law or provision related to trespass, property rights or eminent domain, and would not prevent the legislature from authorizing a municipality to regulate the discharge of a fi

 rearm in a populated area in the interest of safety.

The proposed amendment will appear on the ballot as follows:

“The constitutional amendment recognizing the right of the people to hunt, fish, and harvest wildlife subject to laws that promote wildlife conservation.”

Proposition Number 7

SJR 5 proposes a constitutional amendment to dedicate a portion of revenues from (1) the state sales and use tax, and (2) the tax imposed on the sale, use, or rental of a motor vehicle, to the State Highway Fund (SHF). Under current law, these funds would be deposited to the General Revenue Fund. Money deposited to the SHF is intended to be used only to construct, maintain, or acquire rights-of-way for public roadways other than toll roads; or to repay cer-

tain transportation-related debt.

The proposed amendment would appear on the ballot as follows:

“The constitutional amendment dedicating certain sales and use tax revenue and motor vehicle sales, use, and rental tax revenue to the state highway fund to provide funding for non-tolled roads and the reduction of certain transportation-related debt.”
