Check Out Coke County Library

Trick or Treat. Ready or not. It's almost the end of October. Head Start students, and siblings and friends, will be outfitting themselves in their favorite Halloween costume for the trick or treat walk on Wednesday, October 26th at around 10:30 a.m.

Thanks to the generosity of the downtown offices and merchants, the little ones have an opportunity to get some attention and goodies all for themselves without having to compete with older kids.

Some new inspirational

books have been added to the library collection as have some large print books. Both areas of the library are becoming more popular and the addition of the newest authors in both sections has brought readers of both large print and inspirational books entertainment in information.

Some patrons have said that reading has become more important with the deterioration of television as entertainment and the cost of downloading books. Library cards are free, the library collection contains many favorite authors of mystery, romance, action, western, and good old story telling.

Library hours are Tuesdays, 8-12; Wednesdays, 8-4; Thursdays, 1-5; and Fridays, 8-12. Call 453-2495 for information.
