Bible/History Study slated for Thursday evenings

It is important for us to understand how our Nation came to be, and also to understand the parallels between America and the Nation of Israel. God chose Israel; America from our beginning chose God. He made many promises to Israel of blessings as long as they honored Him, also warnings of what would happen when they abandoned Him. America's Founding Fathers founded our Country on Christian beliefs and principles. God has blessed us beyond measure. Now our Government has turned against God and against us. We need to realize the responsibility we have to maintain and preserve the Biblical principles and beliefs our forefathers paid the ultimate price to leave us.

Anyone interested in learning more about our Christian heritage and what we can do to try to preserve it is invited to a combination Bible/History study at the home of James Pentecost on Thursday evenings at 7 pm.

For further information, call James at (325) 453-2920.
