**Red Ribbon Week!** Bronte ISD observed Red Ribbon Week October 21-25. The week began with DPS State Trooper Shawn Baxter talking to the elementary students about drug awareness and gun safety. Regarding gun safety, the elementary students learned that if they see a gun, they are to first, "don't touch it", second "leave" and third "go tell an adult". Trooper Baxter also told the students to treat every gun they see as a "loaded" gun. Trooper Baxter also spoke to the junior high and high school students about drug awareness. Throughout the week, informative facts were read to the students during morning announcements on both the elementary and secondary campuses. Every student in the district either received a red ribbon or a red wristlet to wear. Elementary students also received color booklets and activity pages as well as pencils and stickers.

On Friday, October 25th, the Concho Valley Cares Coalition (CVCC) in conjunction with the Alcohol and Drug Abuse Council of the Concho Valley (ADACCV) set up a display near the tennis courts. The "Hidden in Plain Sight: What Every Parent Needs to Know" is a free community project to help educate parents on possible signs of drug and alcohol abuse by teens. CVCC replicated a teenager's bedroom to allow parents to "snoop" around to find indicators of drug use and hiding spots. The CVCC also held a free raffle for various items.

Red Ribbon Week was created in 1985 when Drug Enforcement Agent Enrique "Kiki" Camerena was murdered by drug traffickers in Mexico City. His family wanted to create a movement to help educate people about the dangers of drug abuse.

**Horns fall in 4th quarter**

By Coach Kevin Burns  
The Bronte Longhorns and the Menard Yellow Jackets battled hard last Friday in a District 6-A matchup that went back and forth. In a game of momentum swings, the Jackets earned a 32-27 victory over the Longhorns. The Horns held a 21-6 lead midway through the 3rd quarter, but Menard scored once in the third quarter and three more times in the fourth quarter to preserve the victory. Bronte would score in the fourth quarter also, to cut the lead to five but the Horns simply ran out of time.

Bronte's defense started the game with a goal line stand at the one foot line as the Jackets were stopped on 4th and goal. The Horns responded with a 99 yard drive that ended with a Mizael Perez touchdown. Both teams each had a single possession in

the first quarter, and the momentum was with the Horns. The Horns would score again in the second quarter when Kyler Richards hit Joshua Puentez with a 53 yard pass play and following Mizael Perez's PAT, the Horns led 14-0. Menard would score just a few minutes later on a 38 yard pass play but the PAT was blocked giving the Horns a 14-6 lead at halftime. The Horns were able to get a field goal try just before the half, but it too, was blocked.

To start the third quarter, the Horns scored on a 38 yard pass from Richards to Jared Scott. This gave the Horns a little breathing room, but that is when the Jackets went on a tear. They scored four times in the second half and took an 11 point lead. Bronte would score in the final five minutes to cut the lead to 5 when Richards connected with Puentez

**TSTC Trip!** A group of seniors from Bronte High School recently visited the TSTC campus in Sweetwater. The students had the opportunity to tour the campus and learn more about the different types of programs offered by the school. Some of which included diesel mechanics, automotive technology, graphic and digital technology, wind turbine technology, paint and auto collision, pipe welding and downhole tool technology. Many of the programs offer certificates or an opportunity to earn an associate's degree. According to the teachers in each department, job placement and salary potential is excellent. again on a 22 yard pass for the TD. The Horns would not be able to score in the final few minutes and Menard was able to run out the clock.

This week, the Horns travel to Miles in another 6-A contest. Game time is at 7:30.

**Bronte Shorthorns fall short to Christoval**

On October 17, the Bronte Shorthorns lost a tough game to the Christoval Cougars, 27-2. The Shorthorns had good drives on offense throughout the game, but could not get into the end zone. Shawn Puentez and Aaron Cervenka both caught passes from Tanner Bedford, and Bedford and Zach Johnson both had good rushing plays. Good pass blocking was provided by linemen Nathan Arthur, Kevin Parks, Hunner Powell, Coltan Martin, and Garrett Knight. Receivers who contributed to the offense were Tanner Braswell, Jason Woehrle, Hunter Hortenstine, and Anthony Demory.

Defensive leaders were Martin, Knight, Bedford, and Jackson at linebacker. Steady line play was provided by Emmanuel Casillas, Powell, Parks, Woehrle, and Braswell. Providing good secondary

coverage were Cervenka, Puentez, and Demory. The Shorthorns scored on a safety after a blocked punt in the Cougars end zone in the second half.

**Longhorns lose October 18 battle with Christoval**

By Coach Kevin Burns  
The Bronte Longhorns traveled to Christoval October 18 to battle the Cougars in their third district game of the season. The Horns battled hard throughout the contest, but fell by a score of 37-15. The Horns dropped to 1-2 in district play and 1-6 overall. The score of this contest does not do justice to the way the kids played. The Cougars scored in both the first and second quarter to take a 12-0 lead at halftime. The Horns came out and got their 1st first down of the game in the third quarter and scored from 40 yards out when Kyler Richards hit Joshua Puentez for a TD. The extra point by Mizael Perez cut the lead to 12-7. The Cougars went for it on 4th down on their next possession and the Horns defense stopped them from picking up a first down. The Horns were able to capitalize on the great field position and found the end zone again when Jared Scott broke off a 40
