scored on a 12 yard run midway through the quarter. The Longhorns would respond as Baumann closed out the first half, scoring on a one yard plunge that gave the Horns a 28-7 lead at intermission.

After stopping the Hornets on their first possession of the second half, the Horns scored the final points of the game as Creed Coalson broke free for a nifty 87 yard run. Padilla's PAT was good and the Longhorns were up 35-7.

I was proud of the kid's effort in this contest. After assuring ourselves of a playoff spot the week before, the kids came out against Irion County and played hard. They also had to overcome some adversity as Ty Lee got hurt at the end of the first quarter and could not return after hyperextending his elbow. Nathan McGinnis did a good job of running the offense at the QB position. Ethan Sedden replaced him on the defensive side and did a good job of changing positions from the DE where he was playing for Mason Hoyt who was injured in the Christoval game. The kids adjusted well and kept on playing the type of football we needed to play. With two weeks off, hopefully these guys will heal up and be ready to go in the Area game.

This was the kind of game that we needed to close out the district schedule. Irion County did some things that good teams do and we needed to see that as we head into the playoffs. They ran multiple offenses and ran a different defense than we have seen since week 2.

Overall it was a good effort from the Horns and now we await the winner of the Hamlin vs. Electra game. Game time will be determined after their game on Friday.
