

### Kickapoo Water Board sets Election

Coke County Kickapoo Water Control and Improvement District #1 will hold an election on January 8, 2013, for the purpose of electing three directors.

Directors filing for re-election to the board are Ronnie Robbins and Gerald Sandusky. The election will be held at Bronte City Hall.

For further information concerning the election, contact Clerk Fran Sonnenberg by 5 pm on Friday, December 7, 2012.

### 4-H having fundraiser

Coke County 4-H is having their RADA Cutlery fundraiser. All proceeds will benefit 4-H projects.

If you are interested in ordering, you may call Texas A&M AgriLife Extension office at 325-453-2461 or order directly from the web site [www.helpourfundraiser.com](http://www.helpourfundraiser.com). The customer order number is 504110 and ID rada76945 (all lower case).

All orders and money need to be turned in by Tuesday, November 20, 2012.

### Coke County Food Pantry

With Thanksgiving and Christmas fast approaching please don't forget the Coke County Food Pantry. We serve anywhere from 25 to 35 families each week and new ones are signing up each month.

We know times are hard for everyone but we always need help financially and with food products.

We try to provide Thanksgiving turkeys and Christmas ham's for the families for holiday dinners, and we also try to provide fresh fruit and vegetables as are possible.

During the year we receive food and monetary donations from private citizens and food drives from the schools, churches, Menchaca Processing, and "Relay for Life", for these we are truly grateful, however, the need is ongoing.

Thank you for all your past and future considerations.

For more information about the food pantry call Dolores Roe 325-453-2164, Pat Carwile 325-453-9343, or Mary Williams 325-453-2398.

### Atmos Energy Says Customers Can Expect Another Affordable Winter

Atmos Energy Corporation said today that natural gas prices are expected to remain low and steady throughout the Winter 2012/2013 season bringing another year of affordable heating bills for customers.

"Atmos Energy is also pleased to announce that natural gas supplies are higher than normal, which will mean the continued reliable delivery of natural gas to keep customers warm this winter," said John Paris, president of Atmos Energy's Mid-Tex division. "Safe and reliable service is what Atmos Energy provides, and we are ready for winter."

Natural gas is showing its value as the best fuel choice for consumers in terms of price, reliability and efficiency according to the American Gas Association.

"The AGA's most recent analysis "The Promise of Natural Gas," points to a decade or more of relative market stability projected for natural gas," Paris said. "That is great news for Atmos Energy customers who expect reliable service at an affordable price."

Customers can still do their part to reduce energy bills even more by taking these extra steps this winter:

1. The best way to lower your energy bill is to use energy more wisely. A programmable thermostat allows you to keep your house cooler at night and when you're away, and will automatically warm your house to comfortable levels for the hours you are home.

2. Try Atmos Energy's online tools such as Energy Calculator to help manage your energy use.

3. Inspect your windows and doors for drafts. Use caulk or sealant to insulate as needed.

4. If you are having trouble paying your utility bill, please visit our website to learn more about energy assistance programs. Low-income customers may be eligible for federal energy

**CRMWD Youth Hunt!** The Ballinger Mornings Lion Club was the cooking crew for Colorado River Municipal Water District Youth Hunt. Shown are (from left) Larry Milton, J.C. Gore, Bobby Moore, Larry Hays, Shannon Caughron and Darlene Kelly.

assistance through the Low Assistance Program pay energy bills and wea-Income Home Energy (LIHEAP), which helps therize homes.
