open to anglers of all ages.

"Trout Fest 2020 provides the perfect opportunity to get outside, spend time with your family, and fish close to home," said Natalie Goldstroh, Abilene Inland Fisheries Assistant Biologist. "Rainbow trout are only stocked during the winter months, so we hope that families take advantage of this unique fishing opportunity and participate in the event."

Cal Young Park Pond will be stocked with 1,750 rainbow trout leading up to the opening day of Trout Fest 2020 December 5. Four age groups have been established for the event, eight and under with an adult, 9-12 with an adult, 13-16 with an adult, and 17 years of age and older. Three prize categories have also been setup; longest trout, biggest "other" fish, and most days fished. Three winners in each age group will be announced on December 16 and if there happens to be a tie in one of the categories, a random winner will be drawn.

The contest is free, but in order to officially enter, anglers must scan the QR code on one of the signs at Cal Young Park Pond. Once the QR code has been scanned, it will redirect the angler to a website in order to share the name, age, email address, and photo of the catch next to a measuring device. The photo MUST have the catch next to a ruler or measuring device for the entry to be
