**ORDER RESTRICTING OUTDOOR BURNING**

WHEREAS, the Commissioners Court finds that circumstances present in all or part of the unincorporated area of the county create a public safety hazard that would be exacerbated by outdoor burning.

IT IS HEREBY ORDERED by the Commissioners Court of Coke County that outdoor burning is restricted in the unincorporated area of the county for 90 days from the date of adoption of this Order, unless the restrictions are terminated earlier based on a determination made by the Texas Forest Service or this Court. This Order is adopted pursuant to Local Government Code §352.081, and other applicable statutes. This Order does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Natural Resources Commission for: (1) firefighter training; (2) public utility, natural gas pipeline or mining operations; (3) planting or harvesting of agricultural crops; or, (4) burns that are conducted by a prescribed burn manager certified under Section 153.048. Natural Resources Code, and meet the standards of Section 153.047, Natural Resources Code.

BE IT ALSO ORDERED THAT the purpose of this order is the mitigation of the hazard posed by wildfires by curtailing the practice of outdoor burning, with the exception of barbecuing in an enclosed fire box with water hose or fire retardant accessible at all times and someone attending the fire at all times, and materials used outdoors in activities such as welding and any other activity

that could result in a fire. The purpose is to be taken into account in any enforcement action based upon this order.

A. Burns that are conducted after submission of a Natural Resources Conservation Service approved burn plan to the Coke County Judge.

Burns conducted under this section must meet the following conditions:

Prior to beginning a burn in Coke County, the Sheriff's office must be notified by calling 453-2717 on each day for each occurrence;

The person giving notification to the Sheriff's office must identify the area to be burned by describing the pasture or range by address, by location of County Road or State Highway, and also must give the name of the person requesting the burn;

A water sprayer apparatus or water containers and other fire fighting tools must be available on site;

Fire guards are to be used whenever possible;

Wind speeds must not exceed 15 MPH;

The Humidity index must be 20% or higher as determined by the Texas Forest Service for Coke County; and,

A cellular telephone or other reliable radio communication must be available on site for emergency notification and response.

B. Outdoor welding or cutting and grinding associated with welding activities are permitted under the following circumstances:

1. Welding and cutting and grinding associated with welding activities shall not take place when the wind is over 15 miles per hour;

2. The welder must notify the Coke County Sheriff's Department before any welding, cutting or grinding begins;

3. All grass, leaves, brush and other easily combustible materials must be cleared within

a fifty (50) feet radius surrounding the area where the activity is to take place before any welding, cutting or grinding begins; and

4. A spotter with water and a ready pressurized delivery system must be on hand before any welding, cutting or grinding begins and remain on hand until the activity is completed.

C. Burning of household trash is permitted under the following conditions:

1. Shall take place only when the wind speed is 15 miles per hour or less;

2. All grass, leaves, brush and other easily combustible materials must be cleared within a fifty (50) foot radius surrounding the area where the activity is to take place and before any burning of trash begins;

3. The burning takes place in a container with a mesh cover; and

4. A spotter with water and a ready pressurized delivery system must be on hand before any burning begins and remain on hand until the burning is completed.

D. Outdoor cooking is permitted under the following conditions:

1. Shall take place only when the wind speed is 15 miles per hour or less;

2. All grass, leaves, brush and other easily combustible materials must be cleared within a fifty (50) foot radius surrounding the area where the activity is to take place and before any outdoor cooking begins; and,

3. A spotter with water and a ready pressurized delivery system must be on hand before any outdoor cooking begins and remain on hand until the outdoor cooking is completed.

In accordance with Local Government §352.081 (h), a violation of this Order is a class C misdemeanor, punishable by a fine not to exceed \$500.00.

ADOPTED this 14th day of November, 2011.
