

Lake Knierim to be stocked with trout

On December 16, 2022, Lake Knierim in Bronte will be stocked with 600 rainbow trout. These are cold water fish, so come on out and enjoy fishing in the cooler months because they won’t survive once the water warms next spring. Remember, Lake Knierim is a Community fishing lake. By state law, pole and line are the only lawful means or methods allowed and a person can fish with no more than two poles at a time. Minnow traps, cast nets, trot lines, limb lines, throw lines, jug lines, etc. are not lawful in Lake Knierim.
