NOTICES

BOIL WATER NOTICE

October 30, 2015

Due to reduced pressure resulting from a water main break, the Texas Commission on Environmental Quality (TCEQ) has required the City of Robert Lee's Water Treatment Plant to notify all customers to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and for making ice should be boiled and cooled prior to consumption. The water should be brought to a vigorous rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

When it is no longer necessary to boil the water, the water system officials will notify you in the same manner as this notice. Please contact 325-453-2831 for further information.
