

Texas Lions looking for campers

Texas Lions Camp is a summer camp dedicated to serving children from the state of Texas with physical disabilities, type-1 diabetes and cancer between the ages of seven and sixteen. The camp is a modern facility located on over 500 acres outside of Kerrville in the beautiful Texas Hill Country.

Texas Lions Camp offers campers a chance to try new activities and create long lasting friendships while developing greater self-esteem, independence, and most of all, they get to have FUN!

Children eligible for the Texas Lions Camp summer program includes children age 7 to 16 with physical disabilities. Eligible children include, but are not limited to, children who are hearing impaired or deaf, visually impaired or blind, have a missing limb, birth defects, cerebral palsy, arthritis, muscular dystrophy, cancer, asthma, heart conditions and others. One camp session is for children with Down syndrome

ages 12 to 16. Two sessions are provided for children who have type-1 diabetes ages 8 to 15.

Learning can take on many forms and Texas Lions Camp is a unique experience for many campers in the types of challenges presented. Counselors are assigned to each group of campers and escort them throughout the session, teaching and encouraging campers while meeting their special needs. Another key lesson is learning that everyone has a 'disability' some are just more obvious than others

The goal of Texas Lions Camp is to help children become more independent, productive adults. The programs of the Texas Lions Camp are intended to develop such qualities as improved self-image, social adjustment and self-reliance. These services are offered to campers at no charge to them or their families.

Registration will begin in January 2015. If there are questions on whether your child would qualify, please contact the Texas Lions Camp Registrar, Melissa Wilson at 830-896-8500 X250 or mwilson@lions

Be a part of a historical vote!!*

This may be your last chance to sign the PETITION for the proposal "to legalize the sale of beer & wine for on-site consumption", be put on a ballot in May's election!!

My goal is to open a restaurant where I can sell beer and wine to customers! This is currently prohibited in Coke County. I still need more signatures in order for this proposal to be put on a ballot! (In order to sign this proposal, you MUST be a registered Coke County voter in Precincts 2 or 4.)

We need to get this proposal to a ballot so we can vote on this as a community.

Please don't pass up this opportunity!!
