Dear Santa,
How are you doing? I bet you are ready to eat goodies. For Christmas I really want a bike because my other bike went missing. If I had a bike, I would ride it all the time. Another reason I want that bike is that I have been my best. Last but not least, I

want people to have the best Christmas, and they get presents too. Bless the people that don't have the stuff that we do, and bless the people that have trouble with their life. But one thing I wish everybody has fun, and have the best Christmas ever. For Christmas that's all the stuff I wish for.

Your kind friend,
Jazlene
