

Dear Santa,
 Hey Santa how is Rudolph? Is his nose still red and like a light bulb? Do you have an elf that is a front desk elf? Do your elves always work on toys? And how is Mrs. Clause? Does she make good cookies? That's what I hear. I bet they smell good after baking in the oven. How is Sandy? You now my elf. Can I have a big unicorn like a stuffed animal just like a pillow for vacation so I sleep well in the car or if the hotels don't have good pillows. I have been doing spectacular this year. So can I have one please? I haven't been in as many fights as my brother and sister. They go nuts together! May I please have unicorn ears and tail? That would be awesome! So then I could be pretend unicorn. I have been beharind for yoo this year. I still belive in you. Can I have an elf dog and reindeer? And may I have a big awesome Christmas like every year. I have been giving hugs to mom and dad.
 Sincerely,
 Addison

Dear Santa,
 Hi! How have you been? Have you seen how good I have been at school? I'm almost a straight A+ student. I've not really go into a fight with Jesse this year. I would like to have our elf Sam this year. Because I've been spectacular this year will you please give me some blankets for my grandparents because there house burned down a month and two days ago. I would also like to have some art supplies.
 First I would like to have blankets. Because my grandparents burned down. It is turning winter so they may get really cold.
 Last, I would like to some art supplies. Because I love to draw and color paint, color pencils, paint brushes, and macanical would be wonderful.
 Thank you for all of your presents every year. Thank you for the thing I wanted all of the years. It's not a lot, but I just hope you can get me these things I want.
 Thank you again,
 Your Friend,
 Ashlynn Mckinney

Dear Santa,
 Is there such thing as an elfdog? If so, can I have one next Christmas?
 First, may I please have a German Shepered because my other one died last. Year and I LOVE German Shepereds.
 Next, may I please have an art supply kit because I love art and drawing pictures of anything really. I like seeing a master piece I made when I am done. That's the reason why I want an art supply kit.
 Third, may I please have a watch please because I want to know what time it is when there's no clock around.
 Last but not least, a fitbit please. Why I want a fitbit, well because it can track my steps, it tells how fast my heart beats, and it also tells what time I slept at and woke up at and tells how long I slept for. That's

why I want a German Shepered, and art supply kit, a watch, and a fitbit. I hope I can get that stuff for Christmas.
 Sincerely,
 Brynlea Wojtek

Dear Santa,
 How are you? I have been spectacular all year. I was hoping you whould please give me 2 fishing poles because I love to go fishing and I have been good. Next, may you please give m some shoes because I only have one pair.
 Sincerely,
 Xavier

Dear Santa,
 How are you doing? Hope you are doing good because you have a grand journey at Christmas time and I am ready. What I want for Christmas is a scuff

gaming controller for playstation. I also want a dirtbike because my dad sold my last one. Can I also have a watch? I think I should get these things because I have been good all year.
 Sincerely,
 Brayden Claborn

Dear Santa,
 Do you know how big your sleigh is? I'm going to make a gift for each of them and this time I need them to take them please! I'd really also like if you can find some shells and find or make some cat and kitten things! Please? Even some squishes but maybe only two or three. Only 5 or 6 cat and kitten things. I that's all!
 Sincerely,
 Emmie Scott
