POLITICAL LETTER

Dear Editor,
As a concerned citizen, I am writing about a proposal made to the Coke County Commissioners Court on December 12, 2011, concerning an ATV/OHV park in the Wildcat Recreation area of Lake Spence. Supposedly a state funded grant would provide 80% of the cost and the county would provide 20%. According to the county judge, the county would do all the work and maintain it at tax payers' expense. I have property I pay taxes on and for the past 3 years, there's never been any maintenance to those roads. Yet the commissioners want to back this special interest group. Make your concerns known.
