Year in Review Issue coming next week

The final issue of The Observer/Enterprise for 2021 will be published New Year's Eve, December 31.

This is the annual Year in Review issue. We hope readers will enjoy looking back at a few of the stories making headlines this past year, although it is impossible to include everything noteworthy from 2021.

The majority of this issue will be dedicated to 2021 with current news listed in the rear of this special edition.

Group to begin grocery delivery service

One Another Robert Lee will begin delivering groceries on January 20, 2022, to seniors citizens, those who are home bound, disabled citizens and housing authority residents. There will be no delivery charge, but groceries must be ordered from HEB and prepaid online.

If those needing this service are unfamiliar with ordering online, assistance is also available with that part of the process.

Spots for delivery will be limited for the first few trips. Call (435) 817-1322.
