

Dear Santa,

I would like a tie dye skateboard. I would be as happy as an elf if I recived an iPhone flip phone this Christmas. This Christmas one of my wishes is to get a popit phone case as well. This Christmas you would make my dad by brining me popits. I would be delighted if you brought me a hover board. It would be awesome if you would bring me a violin and its case.

Dear Santa,

I would like a Christmas sweater, puppy, gocart, bunny, figits, a phone and a popit. The phone is so I can keep in touch with my parints and friends. The puppy is because I am an animal lover. The figits is nice for entertainment and the go cart is so I can drive to Shep.
