

Good Things Happened

Easter Sunrise Services in Bronte (above) and Robert Lee

Ivey Motors in Robert Lee were the recipients of the President's Award for 2020. While the way they do business looked a little different in 2020 due to COVID, that didn't stop their dedicated service and sales personnel.

A special ceremony was held Monday, May 31, 2021, at the Blackwell Cemetery to honor those members of our Armed Forces who paid the ultimate sacrifice.
