A Hard Fought Battle

By: Cassidy McWright

The Bronte Lady Shorthorns took on the Blackwell Lady Hornets on November 17, 2014 at The Bronte High School gymnasium. Both teams played a hard fought battle, but the Blackwell Lady Hornets brought home the win with a score of 32-17.

At the jump, Stilley won the ball for the Lady Shorthorns to start their offense. In the first quarter, McWright scored five points for the Shorthorns. Powers had two threes and Sanderson had 4 points in the first quarter for the Hornets. At the end of the first quarter, the Hornets were up 10-5. In the second quarter the Shorthorns fought back from the two threes from Powers by scoring 4 more points: Speary with two and Stilley with two. Blackwell shot back with seven points in the same quarter with a three from Powers, two points from Sanderson, and two points from Meyer. Ending halftime, the Lady Shorthorns were trailing the Hornets by eight with a score of 17-9, the Lady Hornets winning. The Lady Shorthorns were looking to change up their defense and toughen their offense against the all-around good team from Blackwell. With two quarters still in the game, the Lady Shorthorns came out in the second half with their heads held high and willingness to fight until the end.

Four points were scored by McWright and Stilley in the third quarter. Lady Hornets had seven points from Powers and Solis. The Shorthorns second group went out on the court to try and score more points. Stilley was saying "Let's go ladies! We got this." Both teams

wanted to come out on top. Concluding the third quarter, the Hornets were leading 24-14, a ten point game. Going into the fourth and final quarter of the match up, Powers shot two more threes and Solis another two. The Shorthorns had two buckets from Stilley to bring the final score to 32-17. It was a hard fought battle on both sides, but the Lady Hornets outstanding shooting won the game. The Lady Shorthorns will travel to Paint Rock and then to Veribest in their next games. Good luck to both teams on their 2014-2015 basketball season!

A sensitive subject in Bronte I.S.D right now is the fact that a certain amount of teachers will be leaving. Lately teachers have been going to the school wondering if they will even be here the next day. Reason being, nobody knows anything. Teachers know other teachers will

be leaving, but what if they are leaving themselves? Our teachers should feel comfortable in their workplace, but lately they have been uncomfortable. The teachers should have a right to know information concerning this sensitive matter. Instead they have to wait until the superintendent, Dr. Skip Casey, or the school board tell them about who is leaving and who is staying.

The reason being- money depletion. A fact, stated by Bronte High School Principle Terry Marrs, is that Bronte I.S.D is spending \$600,000 more than they are bringing in. The best way to get more money is by doing at least one of these three things. First thing to do is to increase taxes, the second thing is to increase the number of students, and the final thing to do is to cut personnel. So now not only teachers have to be worried, but the janitors and lunch ladies also have a reason to worry.

"We've cut supplies down to the
