28th District State Senator is Robert Duncan who gets an F as a grade in Fiscal Responsibility. The 72nd State House District representative is Drew Darby. On the subject of Fiscal Responsibility Darby gets an F. Only 9 of 94 Republicans were bigger spenders than Drew Darby. During the last Texas Legislative session, there was an amendment to the Budget that would have implemented ObamaCare in Texas through Medicaid expansion. Drew Darby voted for this. How does this happen? Our representatives we sent to Austin, from the most conservative area of the most conservative state in the Union are turning out to be closet Liberals. It is time for the disinterested to become interested. It is past time.
