**Robert Lee's Vision With a Purpose**

By Joan Davis

What or who is "Vision With a Purpose"? The group was originally inspired by sisters Debbie Childers and Beverly Hawkins of Robert Lee a couple of months ago. Their vision was to form an organization that would combat the bad patch of luck the city has suffered in the last two or three years. This stretch included loss of businesses, continued drought, the lake drying up, and then came the devastation of the wildfires during the summer. Ranchers not only lost fences, grazing, and stock water, it also has affected the supplemental hunting enjoyed her for years.

Two monthly meetings with much discussion on how best we can help our local businesses, our neighbors, and the city-therefore, "Vision With a Purpose". Several projects will be looked at in the near future. Over thirty enthusiastic people attended the meeting

December 1 at Noel and Clark Tinkler's restaurant and meeting rooms on 158 West and enjoyed a welcome warm soup and chili supper.

On Friday, December 2, at 10 am a number of the group gathered at the downtown gazebo at the Wilson Bryan Mini-Park
