 Hi y'all!

I hope you have been rejoicing like I have over the installation of our new 10" water pipeline to Bronte. It has been a joy for me to see so many people from our community volunteering for such a worthy cause. Last Monday, I had the privilege of working along side of Jordan Arnold, Preacher of Southside Church of Christ, and Bryan Heatherington. Bryan is a native of Australia, who lives four miles north of Bronte. I can't remember ever having such an enjoyable time of handling barbed wire and shoveling gravel. This experience reminded me of I Chron 29:9. "Then the people rejoiced because they had offered so willingly, for they made their offering to the Lord with whole heart, and King David also rejoiced greatly."

God bless you!

The group has a diverse membership which leads to interesting ideas for the support of the community and Robert Lee. The town has suffered during the 2011 drought, fires, and economic setbacks. Concern for the community led to "Vision."

First we must support local businesses any way possible. Then we should utilize, or make use of sites that are already available. Noel Gregston, and his late wife, Quincey, single-handedly built several bird watching trails. Richard Johnson reminded the group about the Red Canyon Gun Club near the city landfill for shooters. Phelan Wrinkle will catch us up on the 1907 County Jail project at the upcoming meeting. It may be possible to revive the amphitheater, site of the "Ole Coke County" pageants of the past. Although work would be needed to restore it for numerous uses; it has possibilities.

Everyone is invited to visit with us and-or join us. Maybe you have a "Vision"!
