**... Didja Speak?**

*(Continued from page 5)*

could vary from the single quick flick strait up and back down to the more laid back 45 degrees to the right or the windshield wiper kind of thing in which the finger would go up to the left and sweep to the right before going back to the wheel-but it was always the single forefinger wave except among your friends in high school. After all it was the 60's and it was

way cooler to flash the two fingered peace sign-but either way, you always "spoke".

I wonder if we may have lost something with the demise of the Texas Wave. I wonder if it was common elsewhere. Do any of you still see it? And if so, didja speak?

**...Financial Aid**

*(Continued from page 4)*

information from the 2011 tax return will be needed to complete the application.

Please be aware that certain universities and colleges may have priority deadlines for submitting the FAFSA. Typically, the earlier you are able to submit the FAFSA the better because schools tend to award grants on a first come first serve basis.

Grants are those moneys that students do not have to pay back.

If you have any questions about filling out the FAFSA, please call the financial aid office of the college your child is planning on attending, or the counselor's office at Bronte HS at 473-2521.
