Scholarships available to Texas students through TFB

High school and college graduations may be months away, but now is the time to start thinking about applying for scholarships, according to John Ross Copeland, Coke County Farm Bureau president. Coke County students are encouraged to apply for more than \$200,000 in Farm Bureau college scholarships offered on the local, district and state levels. “Scholarships and awards are an excellent opportunity for Farm Bureau families to earn money to pursue their education,” John Ross said. “We encourage all eligible students to apply.” There are three high school scholarships available: Memorial/Honorary District Scholarship, Young Farmer & Rancher Scholarship and the Dick Mitchell Memorial Scholarship. Enrolled college students can apply for four scholarships:

Young Farmer & Rancher Scholarships for Enrolled College Students, TFB S.M. True Jr. Agricultural Scholar Award, Mia Balko Student Teaching Scholarship and the Rural Veterinary Scholarship. **High school scholarships** Memorial/Honorary District scholarships are available to high school students who have not yet graduated. Thirty-nine \$1,000 scholarships and 13 \$1,500 scholarships are awarded annually on the district level. Thirteen \$1,000 scholarships are awarded to high school students through the TFB Young Farmer & Rancher Scholarship based on academic achievement and the applicant’s desire to pursue a career in an agricultural-related field. The TFB Dick Mitchell Scholarship, a \$1,000 award, is designated for one high school

Champions! Bronte High School students Emily Jackson and Jayton Galvan recently competed at the District 11-A Cross Examination Debate and were named the champions of the event. The pair will be headed to the state tournament in March.

senior who completed the virtual Thrive Experience as part of TFB’s Student Success Series this summer. **Collegiate scholarships** The TFB Young Farmer & Rancher Enrolled College Student scholarship offers three \$2,000 scholarships to students pursuing an undergraduate degree in an agriculture major. College students pursuing a degree in Agricultural Education

can apply for the Mia Balko Student Teaching Scholarship. Four senior agricultural education students will receive scholarships each semester. The scholarships, valued at \$1,500, aim to help students cover expenses during their semester of off-campus student teaching. Students who will be student teaching off-campus in fall 2022 are encouraged to apply. (Continued on page 6)
