Citizen Comments

Bryce Short, Corby Kelso, Zach Davidson and John Seales, all spoke to council to see what would be done to slow or to stop the criminal activity in Bronte from 9 pm to 5 am. The group said that they are 100 percent behind our deputies, sheriff and the community. They know there are limitations as far as budget, but want to see what can be done to move things in a different direction whether it be fundraisers, neighborhood watch, or hire someone to patrol those hours. Just pitching ideas that could change to stop this. The citizens also said things need to be stricter. A ticket isn't going to solve the problem. A town hall meeting to discuss this crime in Bronte would be good.
Denise Galloway would like

the council to consider approving use of the depot parking lot to hold a street dance for Hog and Turkey Festival to be held Saturday, April 18, 2020. We are in the early stages and just wanted to get tentative approval from council. Lee Wommack expressed concerns and questions against if you want to shut down highway 158, what time would you stop the music, and the closure of the side street for the residents not being able to come and go. An alternate location is at the fire department. Lee Wommack made the motion to tentatively approve the use of the depot parking lot and surrounding area for Hog and Turkey Festival, and was

seconded by Ron Cooper. Vote 4-0, motion passed.
There was no one present from the Fire Department to give their report.
Denise Galloway commented that the fire department and Robert Lee fire department worked on a fire near her property and she is glad they were able to stop the fire. It came within 8 foot from her north side of the property.
Deputy Roberson reported December activities with two ordinance enforcement calls, two ordinance notifications from city hall, one written ordinance warning, and three ordinance citations.
Citizens asked questions to Deputy Roberson on what they can do as concerned citizens to keep the criminal activities down in Bronte. A recommendation

was made to start a neighborhood watch, and also have a town hall meeting and bring our community together and get a program going. Mayor Gohman will set up a town hall meeting.

Animal services caught eight cats, four skunks, one possum and three raccoons and two dogs. After 72 hours one cat was taken away, one dog went to a shelter and one was given a citation when dog was returned.
