

ROBERT LEE SCHOOL NEWS

Steers defeat Longhorns 48-25.

mission is to educate and empower youths with the leadership skills and knowledge in wildlife, fisheries, and land stewardship to become conservation ambassadors for a sustained natural resource legacy. This will be the 21st year of the Brigades.

According to the camp coordinator, Chris Farley, Ranch Brigade will focus on the need for ranchers and agriculturalists to tell their story about land stewardship and livestock production.

"The camp will be about agriculture, food production, and feeding the world," Farley said. "I want the take-home message for the cadets to be 'ranchers have their consumer's

best interest at heart'."

The founder of the Texas Brigades, Dr. Dale Rollins, says he is excited about the new camp because "It's a nice complement to our existing camps subject wise. Any program that promotes conservation and sharpens critical thinking skills is a winner." He adds that

"wildlife and livestock can coexist if managed correctly—the more we can advance that synergy, the better off Texas rural lands will be."
