**Scholarships available to Texas students**

Texas youth are future leaders for the state and nation. They have opportunities for growth, education, and leadership to help them explore a bright new world, but sometimes they need a helping hand.

That's why Texas Farm Bureau (TFB) invests in youth, devoting large amounts of money and time to develop leadership skills at a young age.

That investment comes through scholarships at the state and county levels.

"Each year we award more than \$200,000 in scholarships at the state level, and over \$360,000 in scholarships is given through

county Farm Bureau's," Mia Balko, director of Youth Outreach said. "Those come in a variety of packages in an effort to meet different student needs."

Applicants must create an account and register through the MyTFB Membership portal at my.texasfarmbureau.org. Once there, navigate to registration, and select 2020 scholarships from the list.

All scholarships require the student to be part of a TFB member family to qualify, and membership must be maintained for the duration of the scholarship.

The deadline to apply and submit a completed application online is March 2 before midnight.

Visit [texasfarmbureau.org/youth-opportunities](http://texasfarmbureau.org/youth-opportunities) for more information and the scholarship application checklist.

Below is a list of scholarships available through Texas Farm Bureau.
