

ASVAB Results for Juniors! The juniors at Bronte High School recently received their Armed Services Vocational Aptitude Battery (ASVAB) scores. Staff Sergeant Gonzales and Staff Sergeant Medina (left photo) of the United States Army explained the students' scores and the students went online to complete a career interest inventory. Based on the results of the interest inventory, the students were able to pinpoint three areas that listed potential career fields, or occupations that may be considered potentially satisfying. Each junior received a score report and informational booklet.

Army Presentation! Sergeant Kevin Smithers, (right photo) a recruiter for the United States Army, recently visited with junior and senior students at Blackwell High School. Sgt. Smithers shared his history with the United States Army and gave the students extensive information about the many career opportunities the Army offers. Sgt. Smithers also met with the junior students to interpret their scores from the Armed Services Vocational Aptitude Battery (ASVAB) taken in November.

VP Appreciation Banquet held

County Commissioner for 12 Years in Madison County, Florida

NO "ON THE JOB" TRAINING NEEDED

Susan Lamb- (Past Owner/Editor of the Madison County Enterpriser Newspaper) "When the retired, longtime sheriff of Madison County Florida says Coke County is getting the best, folks need to listen! Joe Peavey doesn't support just anyone! And for me, I totally agree with Joe, there is no better man than Mike Salls to be a county commissioner. Honest, level-headed, smart and trustworthy! I must have said some of those same things when I supported you when you ran in Madison because I really believe you were an excellent commissioner in Madison."
