

Big Fish! Although lake levels are currently low, Oak Creek still has a lot of big fish. The stringer held by the Scarborough brothers from Odessa includes fish ranging from 8 to 22 pounds. Mr. Biggerstaff is shown with his 25 lb. Bluecat caught last August (top right) while Blackwell men, Shannon and Rodney Nelson display their 32 lb. Bluecat harvested on August 17 (bottom right). Kim Nelson, also of Blackwell (left photo) holds her 6.10 pound bass. Twelve year old Trevor Martin of Midland proudly displays his 7.57 pound bass (bottom left). Austin Criswell, 12 years old of Hobbs, New Mexico, is shown with 8.61 pound catfish.
