Observer/Enterprise welcomes sportsmen

It is our great pleasure to welcome you, the hunter and/or fisherman, to Coke and surrounding counties. This year, we have included a few articles

which do not directly affect Coke County's hunters. However, the topics provide important knowledge for all Texas hunters. We know you have a choice

B&K Processing to host Hunter Appreciation Lunch Saturday, November 7

The 27th annual Hunters' Wild Game Barbecue Lunch is once again slated for Bronte, this year on Saturday, November 7, opening day of deer season.

As in years past, the barbecue lunch will be at no charge to attending hunters, and is

sponsored by B&K Processing. However this year due to Covid-19, the lunch is take-out only. The menu will include brisket, beans, potato salad, amazing desserts and much more. Serving will begin at 11 am and go until 2 pm. The location is B & K

about where to spend your hunting and fishing dollars, and we appreciate your decision to patronize our local merchants and landowners in our area.

This year has been crazy all over and Coke County has not been unaffected. Because of Covid-19, the only hunter appreciation meal slated is the one at lunch on Saturday, November 7 in Bronte. Although it is still being held, the event's sponsor B & K Processing is limiting it to take out plates only. The events in Robert Lee, Blackwell, and Sterling City have been cancelled for 2020.

Once again, let us welcome you to our area of the state. Our landowners and merchants have made a strong commitment to ensure your stay will be a memorable one. We would also like to wish you much success with your sporting efforts in our area during your stay.

Processing (behind Bronte Supermarket). While you're there, make sure and sign up for the gun raffle!

B & K's state of the art processing facility is getting a new look and an additional purpose. Check out the article and pictures on pages 6 and 7 of this year's Hunting Guide for all of the exciting B&K Processing news!

Texas Game Warden Field Notes Wait Until Your Mother Hears About This!

A McLennan County game warden contacted a subject that had been identified through a Facebook post sent to him by a Colorado game warden. The post was made in December of 2019 but then quickly deleted. In the post the subject admitted to shooting ducks over the limit and wounding several more. The same individual had been cited earlier in 2020 for duck hunting a week

located after contacting his mother. When the game warden presented the subject with the Facebook post, he confessed to shooting four red heads and two mallards over the limit the day the post was made. He then confessed to there being a second individual with him that day that shot two mallards and three Wigeons over his limit. Contact was made with the second subject and he also complied, giving a full confession. Both claimed they read the Outdoor Annual incorrectly. Citations were issued and restitution was assigned.
