

Friends of the RLCC meeting held

The February meeting of the Friends of the Robert Lee Care Center was held on Monday, February 28, with six members in attendance.

Discussion of old business was held on the gazebo project, the music memory project, and the repurposing of the planter boxes. All items were tabled due to additional decisions needing to be made on each one.

New items of business included a change to the Registered Agent, doing the March resident birthday party, and May being officer election month. Della Alexander brought to the membership that Mary Rodriguez, RLCC Activity Director, had contacted her to see if the auxiliary could do the March birthday party instead of the currently scheduled month of September. It is becoming more difficult to get volunteer support for events such as the monthly birthday party. A motion was made and carried for the auxiliary to take on both the March and

September birthday parties. After more discussion, a motion was made and carried to have the auxiliary reimburse the expenses incurred by each member to provide refreshments for the parties.

Discussion was also held about helping with the Mother's Day Tea. Della Alexander will discuss this with Mary and report at the March meeting.

Having a Registered Agent on file is a requirement for all 501(c)(3) organizations. The current agent has resigned. Harriet Demere was asked to send out an email to the membership asking for someone to volunteer to take this position.

All officer positions are due for re-election in May for the upcoming year. Members present were asked to consider taking on any of the positions or encouraging other members to consider stepping into these leadership positions.

The next regularly scheduled meeting will be held on Monday, March 28.

Watch Party! Fans of the Robert Lee Lady Steers gathered at Austin Street Coffee House on Saturday, March 5, 2022, to cheer on the Lady Steers in the state finals basketball game.
