

...Bronte City Council meeting

(Continued from page 5)
 Ricky Royall will talk to Mr. McNeal to get more information needed for certification. Lee Wommack would like this tabled until Ricky Royall has a chance to review information given to him. This item was tabled until then.

It was considered to amend container information on Sanitation Ordinance #18-05 to Section F - Collection Charges and Section I - Convenient Center.

- Republic Services meeting report - notes from Stormy Vaughn
- Gate fee at Convenient Center
- Charge current rate for delivery and pickup of 2y, 4y, 6y, and 8y containers that customers request.

Mayor Gohman ran down the issues:

- 1) Charging delivery and pickup charge on containers;
- 2) Adding gate fee;
- 3) Get price from Republic Services for curbside service.

Stormy Vaughn made a motion to approve adding the current rate for delivery and pickup for containers that customers request and also a motion to charge \$20 for gate fee or to be determined at the Convenient Center, moving the \$2 Convenient Center charge to the curbside service fee quarterly and taking away the \$2 of the outside residents that won't be getting curbside service. She was seconded by Santiago Rodriguez and the motion passed with a vote of 4-1, Lee Wommack abstained. The Council will contact Republic Services to get pricing for curbside and how far out do we need to get on schedule.

Discussion was held on amending/archiving Ordinance #345 and adopting 2018 International Residential Building Code Ordinance #19-01. Ricky Royall just received the 2018 residential building code book and needs to review it. This item was tabled.

Discussion was held on amending/archiving Dangerous Building Ordinance #368 and adopting new Dangerous Building Ordinance #19-02. This time was tabled.

Discussion was held on Water Service Credit agreement for volunteer fire department/EMS staff. Teresa Ballard reported on findings from water service credits and could not find a document stating how volunteers get the credit. She would like the Council to consider writing procedures so city staff can follow and also add something that volunteers will also comply with city ordinances. If a volunteer is living with family, they do not need to change the water bill to their name.

Mayor Gohman reports that the pea patch and .9 acres at the cemetery do not have a clear title. There are about 100 plots available and it is being explored to expand for the

future of Bronte. Additional items addressed are to have a pavilion to hold ceremonies and to have a cemetery maintenance committee.

Discussion was held on zoning, however the 2018 code books have just arrived so there was no action taken.

Stormy Vaughn made a motion to accept the December 20, 2018, minutes and was seconded by David Bedford. The motion passed with a vote of 4 - 1, Santiago Rodriguez abstained as he was not present at that meeting.

Stormy Vaughn made a motion to accept December bills paid and was seconded by Lee Wommack. The motion passed with a vote of 5 - 0.

Mayor's Report

Goals and projects include finalizing bids for drainage.

City Secretary's Report

Monday, January 21, city offices are closed for MLK, Jr. and the City Secretary will be attending an election seminar in Frisco. Also applications are being taken for three positions on City Council.

Utilities Director's Report

Work is being done on keeping pot holes filled.

With there being no further business, the meeting was adjourned at 9:45 pm.

Is your Ford tough enough to win \$3,000?

Texas Farm Bureau is looking for the "best of the best" as the search begins for stories of dependable, hardworking Ford vehicles through the organization's Ford Tough Tales contest.

"Texas Farm Bureau has a great relationship with Ford, and this contest will give our members a chance to highlight the interesting stories about their vehicles," John Ross Copeland, Coke County Farm Bureau president, said. "It's also a chance to take home some cash prizes."

The contest will include three categories.

The Workhorse Trucks category seeks to highlight stories

of the tough, dependable performance Ford trucks are known for.

"Farm Bureau members rely on their Ford trucks on their farms, ranches or job sites," said. "We want to hear stories of what makes their Ford 'tough.'"

Fords are also legendary in Texas. Encourages individuals to enter their vehicle that is 20-years-old or older in the Ford Legends category.

John Ross noted it could be a vehicle special to the family, a truck that just won't quit or a vehicle you restored.

The final category is Life Saving Experiences.

"Many Farm Bureau members

can give their Ford vehicle credit for surviving a wreck or life-threatening experience, and we want to hear those stories, too," John Ross said.

The winner of each category will take home \$3,000, and the runners-up will receive \$1,000.

To enter, submit a brief description of your "Ford Tough" experience in one of the three categories. Any Ford vehicle is eligible for the contest.

Submit the description and supporting photos or video of the vehicle through MyTFB, the online membership portal, at my.texasfarmbureau.org.

Entries will also be accepted via Texas Farm Bureau's

Facebook page at www.facebook.com/TexasFarmBureau, via email at memberbenefits@txfb.org or via mail to Texas Farm Bureau, Attn: Karl Ellis, P.O. Box 2689, Waco, Texas 76702-2689.

Entrants must be Texas Farm Bureau members in good standing at the time of the submission and at the time of the award presentation.

Entrants must consent to the submission and possible publication of the story.

No employees or immediate family of an employee of Texas Farm Bureau or an affiliated company are eligible to receive the award.
