Financial Aid for College

The Free Application for Federal Student Aid (FAFSA) is now available online at www.fafsa.ed.gov for students planning on applying for financial aid to attend college after graduation.

Students and one of their dependent parents must apply for a pin number at www.pin.ed.gov in order to sign off on the online application.

Parents may go online and begin filling out the application but the

information from the 2011 tax return will be needed to complete the application.

Please be aware that certain universities and colleges may have priority deadlines for submitting the FAFSA. Typically, the earlier you are able to submit the FAFSA the better because schools tend to award grants on a first come first serve basis.

Grants are those moneys that students do not have to pay back.

If you have any questions about filling out the FAFSA, please call the financial aid office of the college your child is planning on attending, or the counselor's office at Bronte HS at 473-2521.
