

**Register Your American Cancer Society Relay For Life Team Today**

American Cancer Society Relay For Life of Coke County is taking a year off to regroup and refresh. In the meantime, we want to encourage past Coke County Relay For Life teams to participate in nearby Relay For Life events such as the Tom

Green County Relay For Life. Relay gives everyone in the community and surrounding areas a chance to help save lives and create a world with less cancer and more birthdays. Register your team today by visiting [RelayForLife.org/tomgreen.cotx](http://RelayForLife.org/tomgreen.cotx).

Former and current cancer patients, those who have lost a loved one to cancer, families, businesses, faith-based and civic organizations, and anyone wanting to make a difference in the fight against cancer are invited to take part in this exciting team event. Relay For Life takes place from 7:00pm on May 18th until 7:00am on May 19th at the Angelo State University LeGrand Sports Complex.

Relay For Life events are held overnight as individuals and teams camp out at an athletic track, park or other gathering area, with the goal of keeping at least one team member on the track or pathway at all times throughout the evening. Teams do most of their fundraising prior to the event, but some teams also hold creative fundraisers at their camp sites during Relay. Relay brings together friends, families, businesses, hospitals, schools, faith-based groups . . . people from all walks of life – all aimed at furthering the American Cancer Society's efforts to save lives by helping people stay well, by helping them get well, by finding cures and by fighting back.

"Relay For Life draws attention to the progress being made in the fight against cancer," said Kellye Howard, ACS Community Manager. "Many participants are our family, friends, and

neighbors who have faced cancer themselves. Their involvement helps bring hope that, together, we can eliminate cancer as a major health problem."

Information about how to form a team or become involved in Relay For Life is available at [RelayForLife.org](http://RelayForLife.org) or by calling 800-227-2345.

The American Cancer Society combines an unyielding passion with nearly a century of experience to save lives and end suffering from cancer. As a global grassroots force of more than three million

volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping people stay well by preventing cancer or detecting it early; by helping people get well by being there for them during and after a cancer diagnosis; by finding cures through groundbreaking discovery; and by fighting back by rallying lawmakers to pass laws to defeat cancer and by rallying communities worldwide to join the fight. As the nation's largest non-governmental investor in cancer

research, contributing about \$3.4 billion, we turn what we know about cancer into what we do. As a result, more than 11 million people in America who have had cancer and countless more who have avoided it will be celebrating birthdays this year. To learn more about us or to get help, call us anytime, day or night, at 1-800-227-2345 or visit [cancer.org](http://cancer.org).

**Due to Spring Break, no news was turned in for the Blackwell School Page this week.**
