CITY OF ROBERT LEE

The City of Ballinger had a confirmed case and the City of Robert Lee has had multiple suspected cases of rabies.

- Please make sure your pets are up to date with the rabies vaccination.
- Report any sick or strange acting wildlife.
- Vaccinate pets and livestock. Vaccinating your domestic animal not only provides protection for the animal, but vaccinated pets act as a barrier to keep the rabies virus from spreading between wild animals and people.
- Do not feed wildlife or stray animals and discourage them from seeking food near your home.
- Do not approach an unknown animal, either wild or domestic, especially if it is acting in a strange or unusual manner.
- Report all animal bites, scratches and any contact with bats to the Sheriff's Office or the Animal Control Officer. Human rabies can be prevented after exposure by administering a series of shots.
- Keep garbage cans tightly
