Robert Lee Sport Booster Club

Hey all you Robert Lee Steer and Lady Steer fans. The sport booster club is trying to raise money to buy our school a blow up inflatable for the kids to run through at sporting events. This will be used for all sports.

If you would like to donate, contact Brenda Skinner, Brandi Sawyer, or Valerie Howard at the Robert Lee State Bank, 325-453-2545. The booster club will also be doing some fundraisers throughout the year.

Child Find

Do you know of a child ages 0-21 who shows signs of developmental delay, on-going learning problems, behavioral or medi-

cal problems that interfere with learning?

Child Find is the ongoing process of locating students with disabilities for special education services. The Region 15 Education Service Center coordinates efforts with local school districts to assist in the identification of students with disabilities for special education services according to the procedures established by the Commissioner of Education and the Texas Education Agency.

Public Education in Texas is for Every Child. Don't leave any child behind.

For more information, call the Robert Lee ISD at 453-4555 or Child Find at 325-658-6571.

Register Your American Cancer Society Relay For Life Team Today

American Cancer Society Relay For Life of Coke County is taking a year off to regroup and refresh. In the meantime, we want to encourage past Coke County Relay For Life teams to participate in nearby Relay For Life events such as the Tom Green County Relay For Life. Relay gives everyone in the community and surrounding areas a chance to help save lives and create a world with less cancer and more birthdays. Register your team today by visiting RelayForLife.org/tomgreencotx.

Former and current cancer patients, those who have lost a loved one to cancer, families, businesses, faith-based and civic organizations, and anyone wanting to make a difference in the fight against cancer are invited to take part in this exciting team event. Relay For Life takes place from 7:00pm on May 18th until

7:00am on May 19th at the Angelo State University LeGrand Sports Complex.

Relay For Life events are held overnight as individuals and teams camp out at an athletic track, park or other gathering area, with the goal of keeping at least one team member on the track or pathway at all times throughout the evening. Teams do most of their fundraising prior to the event, but some teams also hold creative fundraisers at their camp sites during Relay. Relay brings together friends, families, businesses, hospitals, schools, faith-based groups . . . people from all walks of life – all aimed at furthering the American Cancer Society's efforts to save lives by helping people stay well, by helping them get well, by finding cures and by fighting back.

"Relay For Life draws attention to the progress being made in the fight against cancer," said Kellye Howard, ACS Community Manager. "Many participants are our family, friends, and neighbors who have faced cancer themselves. Their involvement helps brings hope that, together, we can eliminate cancer as a major health problem."
