NOTICES

CITY OF ROBERT LEE PUBLIC NOTICE TO BOIL WATER MARCH 23, 2013

Due to reduced pressure resulting from water main breaks and maintenance, the Texas Commission on Environmental Quality (TCEQ) has required the City of Robert Lee's Water Treatment Plant to notify all customers to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and for making ice should be boiled and cooled prior to consumption. The water should be brought to a

vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source. When it is no longer necessary to boil the water, the water system officials will notify you in the same manner as this notice.

If you have questions regarding this matter, you may contact City Hall at 325-453-2831 or E.R. Roberts, Plant Operator at 325-763-9114.
