places to visit and vacation, ranging from the weekend getaway to the extended trips.

If you have taken a vacation or just gotten away a few days and had a really good time, please contact our office at (325) 453-2433 (email o-e@wcc.net) and we'll get your information, recommendations, and hopefully, a photo or two. One thousand fifty one LSTs were built during World War II. The 325 is the only one left that has been restored and is still operational.*
